Foreword to Judge Greg Mathis

I first met Judge Greg Mathis on March 22, 2007, in Atlanta, Georgia, thanks to a college alumni and good friend of mine, Dr. Mark Stevens. Upon meeting the Judge, I shared with him a blueprint of a children's book I had created, which was about him. I can't recall everything we discussed that evening, but I clearly remember the Judge saying, "Get the book published." Well, after the passing of some years, the book is published, and I am thankful for having had the opportunity to meet a person whom I consider to embody and exemplify values that are core to the development of children.

This book is dedicated to Judge Greg Mathis.

It is our duty to continue to motivate and inspire children to read and lead so that they become educated, economically empowered, and ultimately, entrepreneurs.

THE JUVENILE WHO BECAME JUDGE STARRING DOC CEE AND MISS LIVY

Book Summary

Do you know what makes your parents happy, and makes them smile from ear to ear? Well, the answer is simple. Parents are happiest when their children are happy, when they learn, and when they make good decisions.

In this “URedULead” selection, Doc Cee and Miss Livy meet Judge Greg Mathis. Judge Mathis shares a message with them and other children about how important it is to get a high quality education, to make good decisions, and to properly honor your parents by doing what is right. Judge Mathis reflects on his childhood years and how he changed his life around for the better by making good choices instead of bad choices. Read along and see how the Judge’s message encourages Doc Cee and Miss Livy to aspire to do great things in life – things that will make their parents proud.

Character Trait(s)

Respect and Responsibility

One of the most important traits you possess is the ability to treat other people the way you want to be treated. Everyone deserves to be treated fairly and justly, and this is what is meant by the word, respect. Along with being respectful toward others and yourself, you should also strive to be responsible. When you are responsible, you do what is right and what is expected of you.

In this story, Judge Greg Mathis shows Doc Cee and Miss Livy that he is a respectful and responsible court judge. He explains how it is important for one person to demonstrate fairness and justness to another individual. He says that he is a successful court judge because of his decision to be respectful, responsible, and educated. You too, must learn all you can and make good decisions. Every day, whether you are at home, in school, or out in the community, you must be respectful to yourself and others. At the same time, you must be responsible. By doing so, you will become a more educated, righteous, and wiser person, and you will help to make this world a better place in which to live.

Who Are Doc Cee and Miss Livy?

Doc Cee and Miss Livy are really cool twins who share exciting adventures at home, in school, and anywhere they end up going.

Doc Cee, the elder twin, is a genius known worldwide for his advanced math and science skills. He is highly intelligent, enterprising, and athletically inclined. A natural leader, he finds himself at the forefront of situations. And he always wears his signature hat!

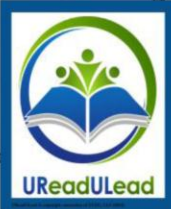

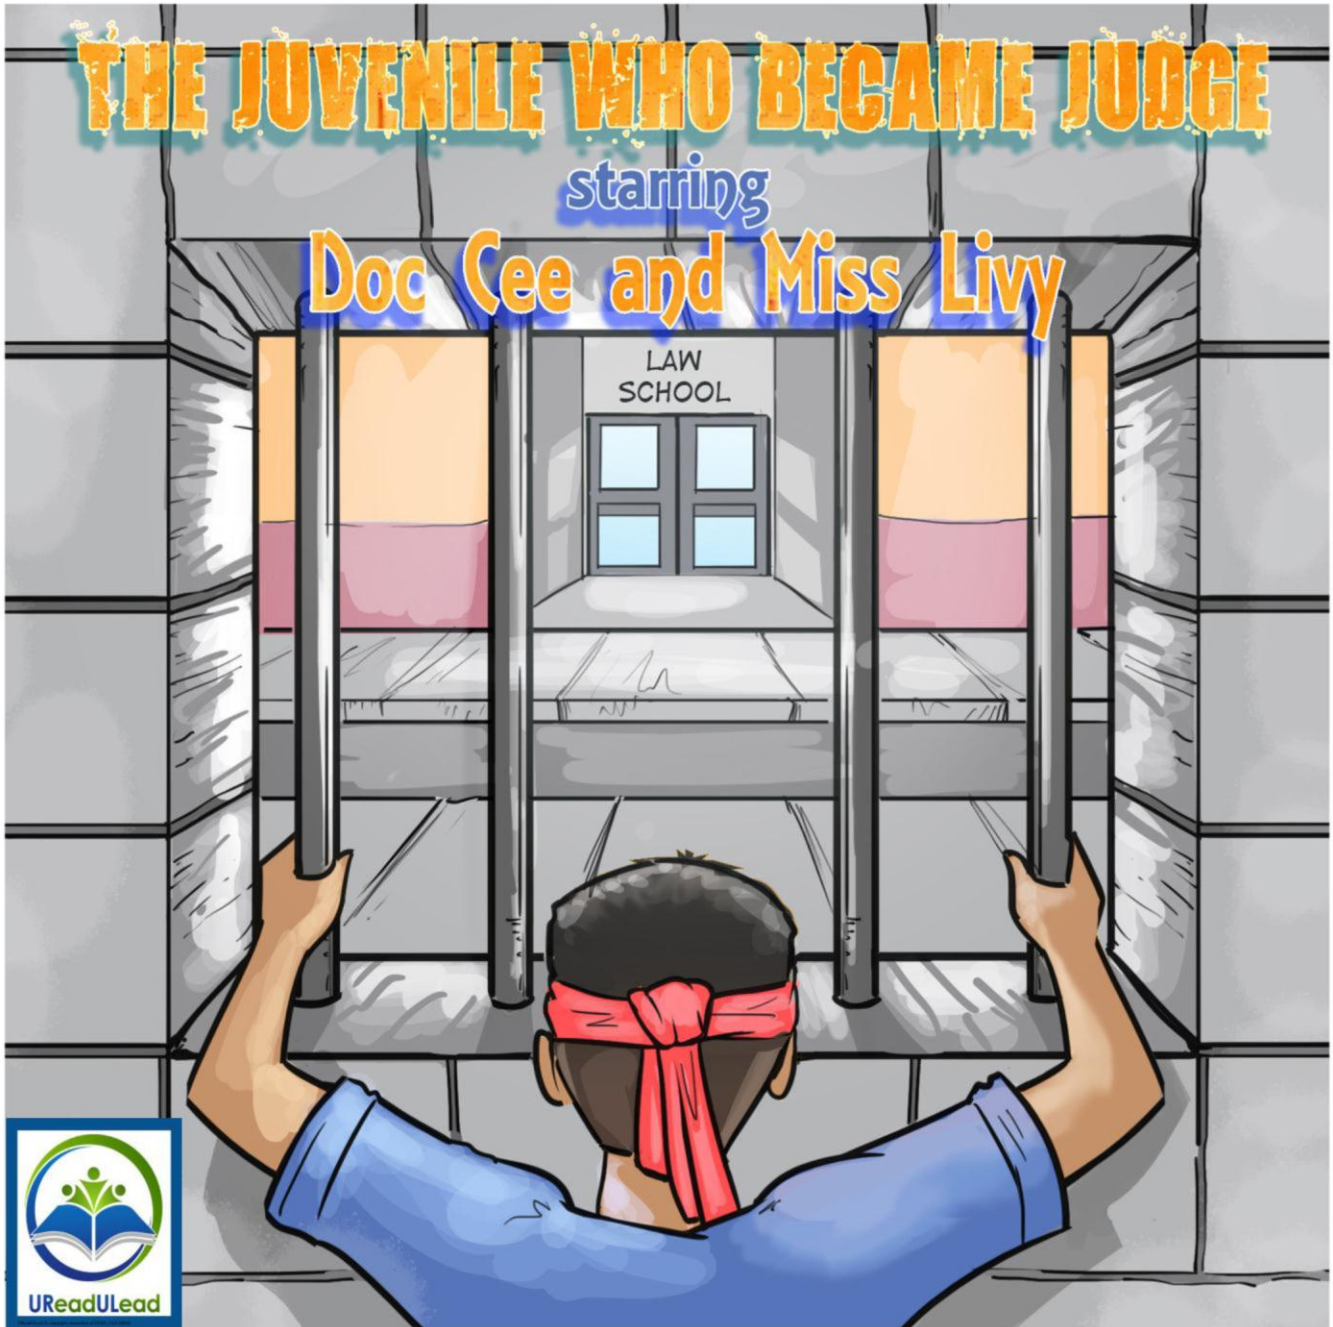

Miss Livy is the loveable, adorable twin sister who uses her wit to aid her brother and friends in their adventures. Like Doc Cee, she is academically gifted and athletically inclined. She loves reading, science, law, music, and gymnastics. Sometimes, she and her friends engage in learning adventures of their own.

THE JUVENILE WHO BECAME JUDGE

starring

Doc Cee and Miss Livy

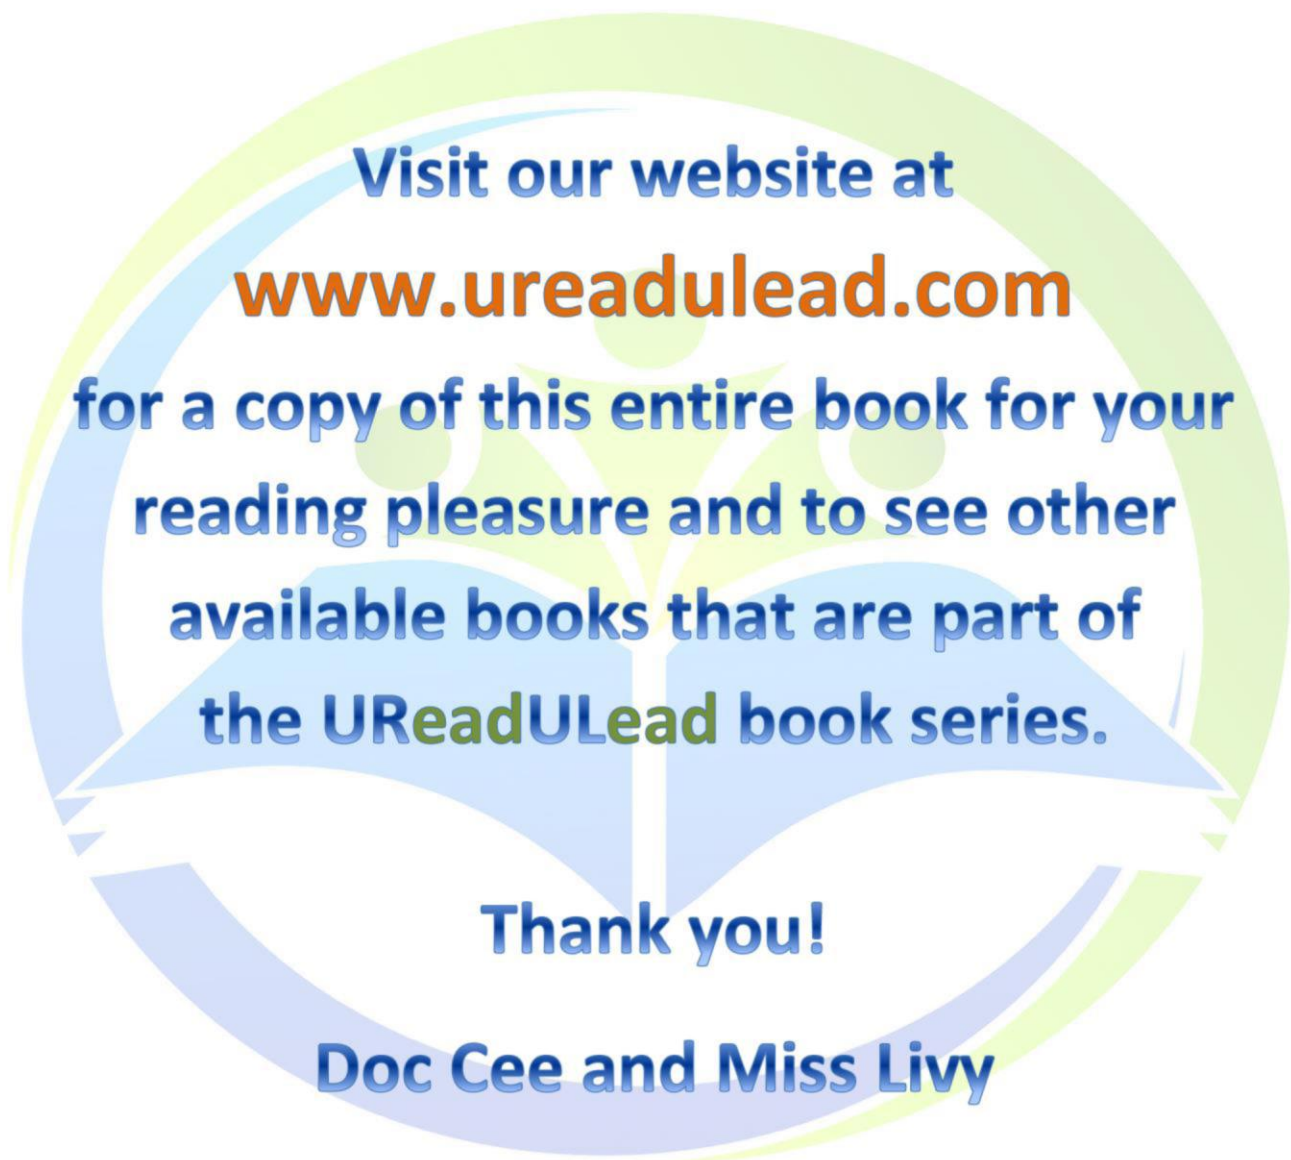

**There we were walking along down the street,
When along came a judge whom we happened to meet.
To the judge we did speak, to which he did say,
“Doc Cee and Miss Livy, how are you today?”**

**“We’re doing well, Judge,” Miss Livy did say.
“We knew and we hoped you’d be coming this way.
We both have a question, and it’s not bizarre.
How did you become the great judge that you are?”**

**Judge Mathis replied as he stood by a tree,
“The question you ask is so easy to me.
If you both have some time, I will certainly share,
Just how I became a court judge who is fair.”**
