Summary: “Simple text includes nonfiction/fictional references and invites reader to become exposed to rich poetic literary genre”

Note to Parents, Grandparents, Teachers, Librarians, and Readers-At-Large

This selection supports literacy development, comprehension, and reading enjoyment, in accordance with national reading standards. Readers build vocabulary, enhance imagery skills, and develop inquisitive insights leading to higher order learning.

Acknowledgements

First and foremost, I pause to recognize the Almighty for giving me grace and writing talent. I thank my wife, DeKisha, and my children, lil' Cleophas and Jasmine, AKA "Jazzy", who have been a constant inspiration and have endured the time and dedication it has taken for me to prepare this reading selection.

I would like to thank all my family (mom, dad, brother, sister, mommie house, gdad, Grand), all my friends, all my co-workers, and business confidants (Cleophas Jones Sr., Clendell Jones, G. Kelly, L. Thompson, A. Tartt) who have supported me in this endeavor. I appreciate my illustrator – Nnanna Akwu, my colleagues for helping to proofread and edit this work, and my book consultants for publishing this book.

And following protocol, and for all those I forgot to call...Thank you.

This book is dedicated to children all over the world who are *inspired to read and aspire to lead...that's all children.*

YOUR EYES ARE THE WINDOW STARRING MISS LIVY

Book Summary

What if you knew someone who was unable to see? What if you had the knowledge and technical expertise to cure the person's blindness so that the person could see? Do you aspire to be a doctor or scientist or inventor?

Well, in this “URedULead” selection, Miss Livy is at her “best”. She is a doctor (ophthalmologist), a scientist, and a brilliant inventor. Enjoy reading this enlightening, rhythmic, rhyming poetic masterpiece, and let's see if Miss Livy is successful in her goal to help restore eyesight to persons who are unable to see.

Character Trait(s)

Caring and Creativity

When you care about someone or something, then you have a genuine concern for that someone or that something. Also, you want to be supportive in terms of providing help if it is needed.

In this story, the main character, Miss Livy, cares about people who are blind. Because of her deep compassion, she uses her genius to create an invention to cure people's blindness. Being creative helps you to maximize the usage of your brain and your knowledge base. You should use your genius to be creative at home and at school. Who knows? You may become an inventor one day, or you may come up with a better way to complete tasks. Just being creative, in a positive way, may help you to discover a way to do something better or help someone who needs it. And when you make positive contributions to someone or something in society, you truly demonstrate that you care.

Who Are Doc Cee and Miss Livy?

Doc Cee and Miss Livy are really cool twins who share exciting adventures at home, in school, and anywhere they end up going.

Doc Cee, the elder twin, is a genius known worldwide for his advanced math and science skills. He is highly intelligent, enterprising, and athletically inclined. A natural leader, he finds himself at the forefront of situations. And he always wears his signature hat!

Miss Livy is the loveable, adorable twin sister who uses her wit to aid her brother and friends in their adventures. Like Doc Cee, she is academically gifted and athletically inclined. She loves reading, science, law, music, and gymnastics. Sometimes, she and her friends engage in learning adventures of their own.

**Your
Eyes are the
Window**

starring
Miss Livy

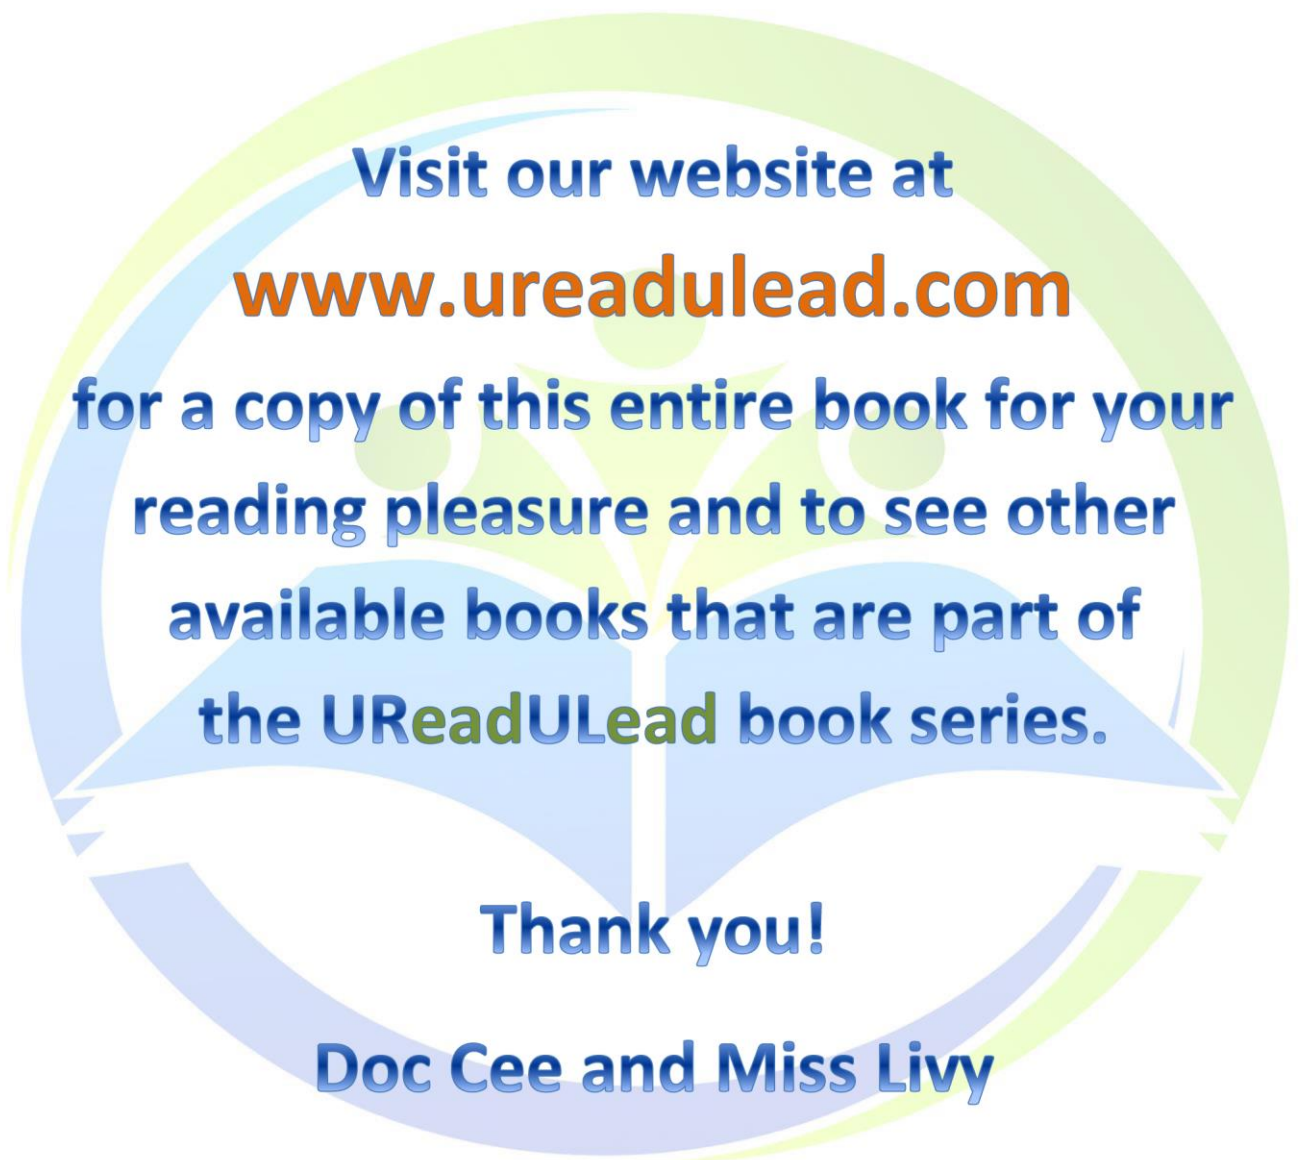

**A young girl outside,
looked up at the sky.
But she could see nothing;
there was no sight in her eyes.**

**She saw no bright objects,
or things moving around.
Instead, she quietly
knelt down to the ground.**

**She said a few words,
but no one did hear.
She probably was wishing
that her eyesight was clear.**
